18th April 2007

Dear Parents,

We are proud to have our Green Flag flying again after the winter. This is Spring Clean month and as part of that and to continue our work as a Green School all classes will be taking responsibility for an area of the school and spring-cleaning it tomorrow. Tracksuits to be worn by all pupils. There will be an old clothes collection for Mrs. Quin's Charity Shops next week so if you wish to drop in black sacks of old clothes please do so to the hall in the school on next Monday or Tuesday mornings (but not before). Thank you.

Our Green Schools Committee recently planted a rowan tree on the Dublin Road as part of National Tree-Planting Week. Thanks to the committee and Mrs. Byrne for all their work in keeping us aware of how best to care for our local and global environments.

If your child is in 4th or 5th Class please remember that the balance for this year's school tour is now overdue. If you still owe for this please pay immediately. Many thanks to the majority of you who pay on time – we appreciate it and it helps with the smooth running of the school which leaves more time for teaching and learning.

Well done to our hurlers and basketballers – they have played really well recently and the boys have reached the Basketball final which will be played in the next couple of weeks.

On **Friday week (27th April)** we will be holding a science exhibition at which some of the recent work done by our pupils will be on display. All pupils will get a chance to see the exhibition and we would like to invite parents to come along between 2 and 3 o'clock on the day. All are welcome.

Please remember to have your child(ren) dressed in the appropriate school uniform each day. This policy is agreed between teachers and parents and we do check that uniforms are being worn as required. (Tracksuits tomorrow for the spring clean).

It is very important that if you received a book rental form you return it by **this Friday (20th)**. Many thanks to Mrs. O'Connor for her work in organising the book rental scheme – it is of real benefit to all concerned.

If any of you cookery experts require some parsley please feel free to avail of our supplies from the bed at the front gate of the school - you are welcome to take some!

A reminder that the school will be closed for pupils on **Monday, 30th April** because the teachers will have inservice on that day.

Yours sincerely,

Principal
