7th December 2007

Dear Parents,

The following are the arrangements for our concerts next week. All children are required to be present for the three shows. Children will be in school as usual before the Tuesday afternoon show. It begins at 1 p.m. and finishes at 2:40 approx. so there is no need to change any collection arrangements on that afternoon – Junior and Senior Infants can be collected as usual at 2 p.m. and older children at 3 p.m.

On Tuesday and Wednesday evenings the arrangements are as follows:
All children to be in their classrooms at 7:10 sharp

sharp	7:30	Show Begins - Junior & Senior Infants
approx.	7:50	1 st & 2 nd Classes
	8:10	3 rd & 4 th Classes
	8:30	4 th & 5 th Classes
	8:50	6 th Class
approx.	9:10	Show Ends

When they are finished their individual performances children will return to their classrooms and may be collected from there. All children will have seen the show in school during the dress rehearsal. I'm sure you will understand that for organisational reasons **children cannot be collected and brought into the hall to see the rest of the performance**. They will be supervised by their teachers until the end of the show if necessary.

Because of the late hour the teachers will not allow even an older child to go without being collected by an adult so make sure that the relevant teacher is made aware either by note or in person if someone other than yourself will be collecting. **Every child must be collected; no child will be allowed to leave without an adult.**

As always the Board of Management asks that you be considerate when parking and to make allowance for time to park when making your arrangements.

We hope the pupils will benefit from the experience and that all children and their families have an enjoyable time.

Thank you all for your cooperation as always,

Principal
